Art Unit: 3711

Election/Restrictions

1. The amendment filed on September 24, 2004 electing claims 1-29 and stating that all species may be searched by the examiner without serious burden is non-responsive. The election of species requirement clearly states that the response to the election requirement must include an identification of the species elected consonant with the requirement even if the requirement is traversed. The response fails to elect a species.

2. Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
